loof

A Bar Above.

loof

There's always room at the top.

Loof is Singapore's first standalone rooftop bar, serving up quality whimsy, fresh nostalgia and unbridled playfulness in an urban garden atop Odeon Towers in downtown CBD. It is perfect for networking events, product launches, company get-togethers, birthday parties or intimate cocktails.

loof

roof's alfresco deck

Take in the charming view of the city landscape on our expansive alfresco deck. An urban garden perched above the city dwellers, lush greenery runs across different pockets of space that can be carved out for your event.

Main Capacity

ALFRESCO DECK

Seating: 150

Standing: 200
