A Few Endorsements from our clients....

“We had such a fabulous time at TBC, and all thanks to you and your team.. let me see, many raved about the food (delicious, mind-blowing, amazing, and other words that aren't usually printed in emails)... and then there was the great location - the cabana area with sand under our feet, the beach at our disposal for games, and the eating area with our own private bar - it all made for a very special, exclusive feel.. and then of course, the highlight of it all - the marvellous time we had with you and your barman, during the cocktail-making game. Thanks for being a lovely host and judge, and for the insightful and hilarious comments..”
