

Private Events Overview

The Warehouse Hotel was built in 1895 along the Singapore River as part of the Straits of Malacca trade route. At that time, the area was a hotbed of secret societies, underground activity, and liquor distilleries.

Today, while much of that history has disappeared, The Warehouse Hotel has been meticulously restored as a modern 37-room boutique hotel, focusing on heritage and local culture. Open as of January 2017, it delivers thoughtful hospitality with historically-detailed rooms, classic local dishes and craft cocktails in the vibrant neighbourhood of Robertson Quay.

The Warehouse Hotel is the inaugural hotel of renowned Singaporean hospitality firm The Lo & Behold Group and is part of the prestigious Design Hotels™ portfolio.
